### INTRODUCTION

CalPERS wants to make your process of applying for nonmember service retirement a smooth one. And while there are some steps you need to take to complete the necessary forms and benefit decisions, the information provided in this publication should make these efforts easy.

The *Nonmember Service Retirement Election Application* is the main form you will need to apply for retirement. However, based on your particular situation, there are some additional forms you may need to complete. And while we recommend planning for your retirement at least six months before your retirement date, you should not submit your application to CalPERS more than 90 days prior to your retirement date.

To be eligible for a CalPERS nonmember service retirement account you must be awarded a portion of a former spouse's/former domestic partner's CalPERS pension as a result of a community property settlement in which you could be eligible to receive a monthly retirement benefit.

In order to apply for your nonmember service retirement benefits, you must have a CalPERS nonmember account, and you and your former spouse/former domestic partner must meet the CalPERS retirement eligibility requirements.

### WHY RETIREMENT PLANNING IS IMPORTANT

Educating yourself beforehand is the key to making good retirement decisions. You cannot change your retirement option election, your designated beneficiary or the retirement date you request on the Nonmember Service Retirement Election Application more than 30 days after you receive your first retirement benefit check. If you wish to cancel your *Nonmember Service Retirement Election Application*, you must do so within 30 days of receiving your first retirement benefit check. Therefore, it is very important that you fully understand what each retirement option means to you and to those to whom you plan to leave benefits after your death. If you want to make a change to your election, contact CalPERS immediately.

### Request a Nonmember Retirement Allowance Estimate

Since financial considerations are such an important part of your retirement decision, you should get an estimate of your retirement benefits when you begin to think seriously about retirement. We recommend getting a CalPERS-generated estimate. You may request a CalPERS-generated estimate by completing the *Nonmember Retirement Allowance Estimate Request* form in this publication and mailing it to the address on the form. You are limited to two CalPERS-generated estimates in a 12-month period and must be within one year of retirement.

# GUIDE TO COMPLETING YOUR NONMEMBER SERVICE RETIREMENT ELECTION APPLICATION

Remove the *Nonmember Service Retirement Election Application* form from this publication so you can follow the step-by-step instructions for each section while you are completing it.

### Section 1 — Information about You

This section tells CalPERS about you.

- Enter your full name as it appears on your Social Security card. Note: If you have changed your name, you must provide CalPERS with a photocopy of the document validating the change (marriage certificate, court order, etc.). Additionally, the IRS requires CalPERS to obtain a photocopy of your updated Social Security card containing your new name before we can discontinue using your former name. Until we receive a copy of your updated Social Security card, we are limited to adding your new last name to the name currently on our records.
- Enter your Social Security number or CalPERS ID. CalPERS needs either number to obtain your account information from our records.
- Enter your mailing address. We need your home address or P.O. Box number, including city, state, ZIP Code, and country. Your monthly retirement check will be mailed to this address unless you establish a direct deposit account. CalPERS will also use your home address to mail your annual tax statement and other information to you. To select direct deposit, please complete the *Direct Deposit Authorization* form in this publication.
- Your date of birth (month, day, and year) is needed to verify that our records
  are correct. We want to make sure this is accurate since your age
  is one of the components used to determine your retirement benefits.
- Enter if you are male or female.
- Enter your home and alternate telephone numbers so we can reach you if we have any questions or need more information.

### Section 2 — Information About Your Retirement

This section tells us when you want to retire and provides other information needed to determine your benefits.

**Note:** The effective date of your retirement is the date you designate on the application, or the day following the date of the court order dividing your community property, whichever is later. If, however, you submit your application more than nine months after your requested retirement date, the law says your retirement date will be the first day of the month in which CalPERS receives your application.

Enter the actual retirement date you have chosen (month/day/year).
 Remember, your retirement may be effective any day of the week, including Saturday or Sunday.

Section 3 — Select Your Retirement Payment Option and Beneficiary This section tells CalPERS your retirement allowance option choice. If you have not obtained an estimate you should do so prior to completing the application in order to make an informed decision.

You need to decide if you want Option 1, Option 2, Option 2W, Option 3, Option 3W, Unmodified Allowance Option, or one of the Option 4's. More information on each of these options is provided in this publication to assist you in making your decision. Your retirement benefit estimate provides a projection of the retirement benefit you and your beneficiary would receive for each option.

Your Option choices are:

 Option 1 — Upon your death, any unused contributions in your account will be paid to your beneficiary in a lump sum. Option 1 does not provide a continuing monthly allowance to a beneficiary.

**Note:** Option 1 is not available to the former spouse/former domestic partner of State Second Tier members, as under retirement formula 1.25% at 65.

Name your Option 1 Balance of Contributions Beneficiary in Section 3c of the application.

You may designate more than one person as beneficiary, and you may change your beneficiary(ies) at any time by submitting a *Post Retirement Lump Sum Beneficiary Designation* form. This form is available in the CalPERS publication *Changing Your Beneficiary or Monthly Benefit After Retirement*. You may access this publication on our website at www.calpers.ca.gov. If you wish to designate one or more beneficiaries as primary or secondary, please write "primary" or "secondary" next to each name on the application.

- Option 2 Upon your death, the same retirement allowance you receive will be paid to your beneficiary for life. Your retirement allowance will increase to the Unmodified Allowance Option amount if:
  - your beneficiary dies; or
  - your beneficiary waives entitlement to the Option 2 benefit; and
  - · you notify CalPERS of the change

Name your Option 2 Individual Lifetime Beneficiary in Section 3a of the application.

 Option 2W — As an alternative to Option 2, you may elect the slightly higher allowance under Option 2W. However, your allowance would not increase to the Unmodified Allowance Option amount under the situations described in Option 2.

Name your Option 2W Individual Lifetime Beneficiary in Section 3a of the application.

- Option 3 Upon your death, one-half of your monthly retirement allowance will be paid to your beneficiary for life. Your retirement allowance will increase to the Unmodified Allowance Option amount if:
  - your beneficiary dies; or
  - your beneficiary waives entitlement to the Option 3 benefit; and
  - you notify CalPERS of the change

Name your Option 3 Individual Lifetime Beneficiary in Section 3a of the application.

Option 3W — As an alternative to Option 3, you may elect to receive
the slightly higher allowance under Option 3W. However, your allowance
will not increase to the Unmodified Allowance Option amount under the
situations described in Option 3.

Name your Option 3W Individual Lifetime Beneficiary in Section 3a of the application.

- The Unmodified Allowance Option This is the highest monthly allowance you can receive. However, it does not provide a continuing monthly allowance to a beneficiary, and there is no return of any unused contributions after your death.
- Option 4 Option 4 allows you to choose a more customized benefit, as long as the amount to your beneficiary is not greater than the benefit provided under Option 2W. For more information about this option, access the publication A Guide to CalPERS Retirement Option 4 on our website at www.calpers.ca.gov. Please note: There is no provision with any variation of Option 4 for your allowance to increase to the Unmodified Allowance under the situations described in Option 2 or 3.

Name your Option 4 Individual Lifetime Beneficiary in Section 3a of the application.

The following are the types of Option 4 allowances available.

Option 2W & 1 Combined — Upon your death, the retirement allowance you receive will be paid to your beneficiary. Upon your death and the death of your beneficiary, any remaining balance of your contributions will be paid to your secondary beneficiary. If you elect the 2W & 1 Combined-Option 4 allowance, in addition to naming an Individual Lifetime Beneficiary in Section 3, you must also name a beneficiary for your Option 1 balance.

Name your Option 1 Balance of Contributions Beneficiary in Section 3c of the application.

Option 3W & 1 Combined — Upon your death, one-half of your monthly retirement allowance will be paid to your beneficiary. Upon your death and the death of your beneficiary, any remaining balance of your contributions will be paid to your secondary beneficiary. If you elect the 3W & 1 Combined-Option 4 allowance, in addition to naming an Individual Lifetime Beneficiary in Section 3a, you must also name a beneficiary for your Option 1 balance.

Name your Option 1 Balance of Contributions Beneficiary in Section 3c of the application.

Specific Dollar Amount to Beneficiary — You can specify the dollar amount of your retirement allowance to be paid to your beneficiary upon your death.

Specific Percentage to Beneficiary — You can specify the percentage of your Unmodified Allowance Option amount to be paid to your beneficiary upon your death. The percentage payable to a beneficiary must be less than 100 percent.

Reduced Allowance for Fixed Period of Time — You can elect to receive a specific dollar amount or percentage of your Unmodified Allowance Option for a specific length of time based on your lifetime alone or the joint lifetimes of you and your beneficiary. After this period, you will receive an increased allowance based on the actuarial equivalent of your remaining benefit. The minimum you can elect to receive is 25 percent of your Unmodified Allowance Option.

Reduced Allowance upon Death of Retiree or Beneficiary — You can specify a minimal reduction to the Unmodified Allowance Option (at least \$1) to provide the highest allowance possible while both you and your beneficiary are living. Upon your death or the death of your beneficiary, the continuing allowance will be significantly reduced for the survivor.

Name your Option 4 Individual Lifetime Beneficiary in Section 3a of the application.

Multiple Lifetime Beneficiaries — Unlike the other options that limit you to one beneficiary, this option allows you to provide a lifetime benefit to more than one beneficiary. You can give each beneficiary an equal share or designate specific dollar amounts or percentages of your benefit for each beneficiary.

Name your Option 4 Multiple Lifetime Beneficiaries in Section 3b of the application.

### Section 3a — Individual Lifetime Beneficiary

If you elected Option 2, 2W, 3, 3W or 4, name your beneficiary here. Enter the name, Social Security number or CalPERS ID, birth date, gender, relationship to you, and address of the beneficiary you designate to receive continuing benefits after your death.

### Section 3b — Multiple Lifetime Beneficiaries

If you elected Option 4 Multiple Lifetime Beneficiaries, name your multiple beneficiaries here. Enter the name, Social Security number or CalPERS ID, birth date, gender, relationship to you, and address of each beneficiary you designate to receive continuing benefits after your death. If you wish your beneficiaries to receive an equal share of your benefits, do not fill in the specific dollar or specific percent of benefit. If you wish unequal amounts for each beneficiary, specify dollar amount or percent of benefit in the space provided.

### Section 3c — Option 1 Balance of Contributions

If you elected Option 1, Option 4-2W/1 or 4-3W/1 combined, name your beneficiary(ies) here. Enter the name, Social Security number or CalPERS ID, birth date, gender, relationship to you, and address of the beneficiary you designate to receive any lump-sum balance of your remaining contributions after your death.

You can designate any person, corporation, or your estate as beneficiary for these lump sum benefits. If you want to designate a trust as your beneficiary, you should provide the name of the trust, date of the trust, and the name and address where the trust is filed. Do not designate the trustee by name, since this could change.

If naming more than three beneficiaries, you will need to complete a *Post Retirement Lump Sum Beneficiary Designation* form and return it with your retirement application. This form is available in the CalPERS publication *Changing Your Beneficiary or Monthly Benefit After Retirement.* You may access the publication on our website at www.calpers.ca.gov. If you need more space, you may make photocopies of the blank form. Be sure to check which benefit applies to each designation form and note under the title of the form the number and total pages included (i.e., 1 of 2, 2 of 2, etc.). If you wish to designate one or more beneficiaries as primary or secondary, please write "primary" or "secondary" next to each name on the application.

You may change your beneficiary at any time by submitting a revised *Post Retirement Lump Sum Beneficiary Designation* form. A change in your marital status, domestic partner status, or the birth or adoption of a child after retirement automatically revokes your original beneficiary designation.

Note: If you designate a minor child as your beneficiary and the child is still a minor when the benefit becomes payable, their surviving parent can claim the child's death benefit without a court order if the child is in their care. Or, if the child is not in the custody of their parent we will request a court order that either appoints someone as guardian of the child's estate or directs us to pay the child's benefit to a blocked bank account. As an alternative to these methods, you may request that we give you a "California Uniform Transfers to Minor's Act" form that you can complete now to nominate a custodian to claim any benefits that may become payable to your minor child. Please do not name the guardian or custodian of a minor child as your beneficiary; just name the child if that is your desire.

Once you have completed this section, carefully review the "Is My Paperwork in Order" guidelines beginning on page 12 to determine which beneficiary documentation to submit with your application.

### Section 4 — Prorated Allowance Upon Death of Nonmember

 Enter the name, Social Security number or CalPERS ID, birth date, gender, relationship and address of the beneficiary you want to designate to receive your lump sum pro rata benefit. (The pro rata benefit is the prorated allowance due for the days you live in the month of your death.)

### Section 5 — CalPERS Member Information

This section provides information on the CalPERS member (your former spouse or domestic partner) and your former marriage or domestic partnership. Do not use your name and Social Security number or CalPERS ID in this section.

Ш	Enter the name of the member (your former spouse or domestic partner)
	whose account was split in the community property settlement.
	Enter the Social Security number or CalPERS ID of the member.
	Enter the date you married or registered your domestic partnership
	to the member.
	Enter the date of final dissolution of marriage/domestic partnership or legal
	separation as stated on the Judgment of Dissolution of Marriage/Domestic
	Partnership or Legal Separation. If the court has not entered a Judgment
	of Dissolution or Legal Separation please write "none." Note: You must
	provide CalPERS with a photocopy of your Judgment of Dissolution or
	Legal Separation.

### Section 6 — Tax Withholding Election

This section tells CalPERS how you want your tax withholding handled. To assist you in making this decision, see the "Taxes and Your Nonmember Service Retirement" information in this publication or talk with your tax advisor. You can change your withholding at any time by completing another CalPERS *Tax Withholding Election* form.

- Under each section, federal tax withholding and State of California tax withholding, you can make only one election. Choose between no withholding, withholding a flat dollar amount, or withholding based on the tax tables.
- If you do not make an election, or if an invalid election is received,
   CalPERS is required by law to withhold taxes as if you are married with
   three exemptions. If you reside outside of California, your CalPERS
   pension income is not subject to California State income tax.

### Section 7 — Nonmember Signature & Notary

This section must be completed or your application will be returned. Your signature must be notarized by a Notary Public or witnessed by a CalPERS representative at any CalPERS office. If you reside in a foreign country, staff at the U.S. Consulate may witness your form.

### What Happens Next?

After you submit your *Nonmember Service Retirement Election Application*, CalPERS will take the steps necessary for you to retire on the day you have selected. Once your application is received at our Sacramento Headquarters office, you will receive an acknowledgment letter letting you know we have begun processing your request, usually within 5–10 days of receipt of your application. CalPERS will notify you if we have questions or need more information.

### Notification of Retirement Allowance

Before you receive your first retirement benefit check, CalPERS will send you a letter providing you with the date of your first retirement check, the amount you can expect to receive, and important income tax information. Keep the letter along with other CalPERS documents you may have. Check the information carefully and contact CalPERS toll free at 888 CalPERS (or 888-225-7377) if any information is not correct. You cannot change your benefit option election, the beneficiary you designate or the retirement date you request on the *Nonmember Service Retirement Election Application* more than 30 days after you receive your first retirement benefit check.

### RETIREMENT FORMS

### Nonmember Retirement Allowance Estimate Request

This form is used to request an estimate of retirement and survivor benefits prepared by CalPERS staff.

### **Direct Deposit Authorization**

This form is optional and can be completed at any time before or after retirement.

Direct deposit electronically transfers your retirement benefit allowance directly into your checking or savings account, avoiding the need for you to sign and deposit your benefit check at your bank. This can reduce the risk of loss, theft, or forgery; give you immediate and uninterrupted deposits; eliminate the inconvenience of checks; and provide you with a monthly statement of itemized deductions.

To enroll, complete the *Direct Deposit Authorization* form in this publication. Your financial institution must be a member of the Automated Clearinghouse Association to accept a direct deposit from CalPERS.

### Death Benefit Documentation

If you chose Option 2, 2W, 3, 3W, or any Option 4:

 Submit a photocopy of your beneficiary's (ies') birth certificate(s). Do not send originals and always include your Social Security number or CalPERS ID on all documents.

For the Survivor Continuance benefit:

 Submit a photocopy of your marriage certificate or certificate of domestic partnership or a birth certificate for each eligible survivor. Do not send originals and always write your Social Security number or CalPERS ID on all documents in the upper right corner.

If you do not provide CalPERS with all the necessary documents, we may, at the time of your death, have to delay payment of death benefits until the missing documents are received. You can avoid this unnecessary delay and hardship on your beneficiary by providing all necessary documents in advance.

### Other Acceptable Documentation

(in order of preference)

Send photocopies only and write your Social Security number or CalPERS ID in the upper right corner on every document.

### Birth Date Evidence

- · Valid driver's license or identification card
- · Baptismal record showing birth date, if baptism occurred at early age
- Passport
- · Early school record showing birth date or age at a certain year
- Naturalization or immigration certificate
- Insurance policy, if issued before age 21
- Delayed birth certificate, if based on acceptable evidence, not affidavits
- · Early census record

### Marriage Certificate Evidence

- Your beneficiary's naturalization papers or passport issued in their married name
  may be used in lieu of a marriage certificate if the document contains the date
  of marriage or was issued at least one year prior to your retirement date.
- Affidavit of marriage from someone who witnessed your marriage ceremony.
   The affidavit must be signed by the witness under penalty of perjury, and their signature must be notarized.

### Domestic Partner Evidence

 The only acceptable evidence is a legally recognized certificate of domestic partnership.

### Send Photocopies, Not Original Documents

CalPERS cannot return original documents. Documents submitted are eventually destroyed. Please send photocopies of documents only.

# TAXES AND YOUR NONMEMBER SERVICE RETIREMENT

### General Information

The subject of taxes can be confusing and perhaps a little intimidating. The following information is designed to help you understand and calculate the tax responsibilities of your CalPERS non-member service retirement allowance.

While CalPERS can provide you with information on some tax laws you need to be aware of, you should request additional information regarding the taxability of your nonmember retirement allowance from the Internal Revenue Service, California State Franchise Tax Board, or from your tax advisor.

### 1099R Annual Tax Reporting Statement

Each January, you will receive a 1099R form containing information on your CalPERS income from the previous calendar year. Box 1 on the 1099R form, labeled "Gross Distribution," contains the total amount of your gross allowance. This is normally the accumulated annual gross amount of the payments you received dated January 1 through December 31. Box 2a, labeled "Taxable Amount," contains the amount of your gross allowance that is taxable income. This is the amount that you will report as income on your personal income tax return. Box 5, labeled "Employee Contributions or Insurance Premiums," contains the amount of tax-free contributions you may have, if any.

You should be aware that CalPERS participates in the Combined Federal/State Filing Program. This means the California State Franchise Tax Board or your state of residence may access your reported income.

# Calculating The Tax-Free Portion of Your Retirement Allowance

Federal law requires CalPERS to use certain methods to calculate and report the annual tax-free portion of your retirement allowance. The tax-free portion is determined based on the previously taxed contributions. The total amount may be found on your *Notification of Retirement* letter under the heading of "Taxed Contributions."

CalPERS uses the Simplified Safe Harbor Method tables in Internal Revenue Service (IRS) Publication 575, to determine the tax-free portion of your allowance. For retirements effective on or after January 1, 1998, use one of the following tables to determine the number of your lifetime payments. Divide the amount of your "Taxed Contributions" by the "Number of Lifetime Payments" to get your monthly tax-free allowance amount.

Please note: If you were age 75 or over on your retirement effective date, you cannot use these tables. Instead, the IRS requires you to use the "General Rule" to determine your monthly/annual tax-free portion. Information on the "General Rule" can be found in IRS Publication 939, available on the IRS website (www.irs.ustreas.gov) or can be ordered by calling the IRS at (800) 829-1040.

Table B – Simplified Method Single Life Annuity Receiving an Unmodified Allowance or Option 1 Benefit

71-74	160

Table C – Simplified Method Joint Life Annuity Receiving an Option 2, 2W, 3, 3W or 4

Find your and your beneficiary's comb corresponding payment numbers.	ined ages at retirement and use the
Combined Ages of Annuitants at Retirement*	Number of Lifetime Payments

111-120	360
121-130	310
131-140	260
141 or more	210

<sup>\*</sup> If you elected Option 4 and have more than one beneficiary designated to receive a lifetime benefit, you must use the youngest beneficiary's age along with your age at retirement to determine the combined ages of annuitants at retirement.

### Federal Tax Considerations

It is important to remember that you may be "penalized" by the Internal Revenue Service (IRS) if you do not withhold a sufficient amount during the tax year. To avoid any penalties, contact your local IRS office or a tax advisor to ensure you are in compliance with the federal tax withholdings.

For more information about federal taxes, please contact your local IRS office or a tax advisor. You can obtain a free copy of "Pension and Annuity Income," IRS Publication 575, by calling toll free (800) 829-1040 or visiting their website at www.irs.ustreas.gov.

### California State Taxes

Since federal legislation prohibits states from taxing the pension income of non-residents, if you reside outside the state, California State taxes will not be withheld from your CalPERS benefit without your authorization. While your CalPERS benefit is still a California source income, there is no longer any California source tax for qualified non-residents. If you have questions about your California residency status or your California State taxes, contact the California Franchise Tax Board (or visit their website at www.ftb.ca.gov) or a tax advisor.

### Tax Withholding Election

Unless you submit an election for tax withholding, CalPERS is required to withhold taxes from your monthly allowance based on the tax tables for a married person with three exemptions. By law, all CalPERS retirees whose allowances are taxable are required to select one of the three withholding choices:

- To have no taxes withheld:
- To have a specific dollar amount withheld (you determine the amount for both federal and State withholding); or
- To have taxes withheld according to the tax tables, based on marital status
  and number of exemptions (you may also add a specific dollar amount to
  this election).

If you choose one of the tax tables, taxes will not be withheld unless your gross allowance exceeds the minimum amount listed on the tax table for your filing status (i.e., single, married, number of dependents, etc.).

### AFTER RETIREMENT

# Changing Your Beneficiary or Monthly Benefit After Retirement

There are limited situations when you can change your beneficiary or benefit option after retirement. If there is a change in your marital status or domestic partner status, or your designated beneficiary dies, you may be entitled to elect a new benefit option and designate a new beneficiary. Electing a modification of option will reduce your current allowance. To determine if this situation applies to you, request and review the CalPERS publication, What You Need to Know About Changing Your Beneficiary or Monthly Benefit After Retirement.

You may change your beneficiary for the Option 1 Balance (Option 1, 4-2W/1, or 4-3W/1) or the Retired Death Benefit at any time by filing a *Post Retirement Lump Sum Beneficiary Designation* form with CalPERS.

A change in your marital status, domestic partnership status, or the birth or adoption of a child after retirement will automatically revoke a previous beneficiary designation for any lump sum benefits. For more information on this topic, visit our website at www.calpers.ca.gov to access the CalPERS publication What You Need to Know About Changing Your Beneficiary or Monthly Benefit After Retirement.

### Removing Your Monthly Beneficiary After Retirement

If you retired under Option 2W or Option 3W and named your spouse or registered domestic partner as your beneficiary and later get divorced, annulled, legally separated or your partnership is terminated, your former spouse or partner will still receive the monthly death benefit allowance after your death. You may ask us to **remove** your former spouse or partner as your beneficiary. Doing so will not change the amount or your retirement allowance. To remove your former spouse or partner as the option beneficiary, you must send a letter to CalPERS Benefit Services Division, P.O. Box 942711, Sacramento, CA 94229-2711. Be sure to write your Social Security number or CalPERS ID in the upper right corner of your letter.
